Re: Georgia Navigator Cup Orienteering A -Meet

To whom it may concern,

The Georgia Orienteering Club has permission to host its Georgia Navigator Cup Orienteering A-Meet event at F.D. Roosevelt State Park, January 15-17, 2022. I have discussed use of the Stone Picnic Shelter, the pool parking lot, the ball field across from the pool, anticipation of several hundred guests and the assembly of an event tent.

The Georgia Orienteering Club will still need to follow procedure of completing a Georgia Department of Natural Resources Event Application and Contract where details will be listed. All vehicles will be required to display a proper park pass.

We look forward to partnering with the Georgia Orienteering Club again,

Desmond Timmons
Park Manager
